## INSTRUCTIONS

- 1 Bring a large pot of salted water to a boil over high heat. Remove thick stem from kale and thinly slice.
- 2 Drop fusilli into the boiling water and stir immediately to prevent it from sticking together; cook until pasta is tender with a bite, 2-3 minutes.
- 3 Meanwhile, heat about 1 tablespoon per serving butter or olive oil in a large skillet over medium heat. Toss in kale, mushrooms and butternut squash and cook and stir until kale is wilted and mushrooms and squash are hot, about 5 minutes. Season with salt and fresh black pepper.
- 4 Drain pasta; reserve about 1/2 cup pasta water. Stir pasta into skillet with kale and mushrooms, adding reserved pasta water as needed to create a bit of a pan sauce.
- 5 Sprinkle with chopped herbs and SarVecchio.
