

PASTURE AND PLENTY

DECEMBER 20, 2021 | VEGETARIAN

HOORAY, IT'S MONDAY!

With a busy holiday week in store, we hope these meals help make life a bit easier. Enjoy your wild rice salad, chockfull of veg, as a lighter break before rich, heavy foods. And the Mole tacos, full of spices and chocolate (but brightened up with tangy beets), are a fun break from more traditional fare, too. We didn't want to miss celebrating with you, though, so hopefully our strata makes a lazy, holiday morning a bit tastier. Enjoy, friends!

② READY-TO-EAT

Milpa pinto bean, wood ear mushroom and mole tacos

Gently reheat pinto bean mole in a saucepan with a splash of water, stirring often to prevent sticking.

Reheat tortillas in a hot skillet, 5 seconds per side; keep flipping until flexible and warm. Alternatively, wrap tortillas in a damp paper towel and microwave for 30 seconds. Keep tortillas wrapped in a towel after heating to keep them warm and pliable until you're ready to eat.

Build tacos to your liking using pinto bean mole, pickled beets and corn nuts, then dig in! Feel free to eat the corn nuts on top of your tacos for a little crunch or as a snack while you cook!
